YOUR JOURNEY

J² crafts journeys of inspiration, education, and Jewish connections to Israel and worldwide. We are guided by a simple but powerful concept: No two trips are the same; each experience should be personal, meaningful, and backed by superb service. Travel is not just about the places you visit, but the connections you make along the way.

Coming to Israel today is a special act of solidarity and of Jewish peoplehood. Israel has never faced more challenging times. We hope that your solidarity mission is about encountering and understanding where the people of Israel stand – in our hurt, in our healing, and in our hope. The mission is about bringing comfort and being comforted. It is an act of empathy and a confirmation of shared memory and destiny. Above all, the solidarity mission is about what each one of us chooses to do to make a difference on the day that we return to our communities from Israel.
